

In order to maintain Borrower Privacy, trusted Partners **will need to REQUEST** ACCESS in order to view Borrower Loan data and Status.

How to Request Access to view Borrower Loan information in the App in one step.

Tap Loans button, select a loan, then tap REQUEST ACCESS

That's it!

A push notification is sent to the Borrower instantly requesting access. Once the borrower grants access, live loan information and status is available to the Partner.

Borrower will receive the request in the App and **Submit** a response.

Partner will instantly see Borrower Loan Information after a Borrower **Opts in**
